PLAYING RULES

- There is no heading in Elite League for all age groups.
- There is offside for the playing format of 7v7 and 9v9. There is NO offside for the 4v4.
- All U7s and U8s will do throw-ins - NO KICK-INS.
- There are NO keepers in the 4v4 playing format. ALL players must be active and involved in the play.
- There is no punting for the playing format of 7v7. The keeper can release the ball by throwing, rolling the ball outside of the goalie area or placing the ball on the ground and kicking the stationary ball. The ball may NOT be moving before the kick is taken. ALL opposing players must be behind the build out line. Once the ball is placed on the ground by the keeper for a stationary kick, the ball becomes live in play once the ball makes a forward motion.
- There is no heading for U9-U10 playing 9v9. There is offside and punting is allowed.
- All substitutions are at the sole discretion of the referee. A referee can or cannot allow an opposing team to substitution while a substitution is taking place. A referee must allow a substitution on all goal kicks and kick-offs. Referees must be notified of a keeper change BEFORE the new keeper takes the field of play.
- At NO time shall anyone enter the field of play without referee permission. If anyone enters the field of play without permission from the referee, the person violating the rule can be dismissed from the complex.
- SIT-OUT - When a referee ejects a player, coach or spectator from the game, the referee must complete a Misconduct Report and notify the League Director immediately after the game. The player or coach sent off will be required to sit out the next game played. Fighting requires a two-game sit-out. A SIT-OUT VERIFICATION FORM must be completed during the game in which the player/coach is sitting out. The coach fills out the form and the referee must sign off on the form. The form must be emailed to Nicole James nicolej@thepitplus.com for verification. The League Director has final say over game day sit-outs. The person sent off must leave the complex immediately. Coaches and managers are responsible for the player’s and parent’s behavior. A “ZERO-TOLERANCE” POLICY FOR SIDELINE MISCONDUCT WILL BE ENFORCED FOR THESE GAMES. THIS INCLUDES INAPPROPRIATE LANGUAGE, RACIAL SLURS, OR VERBAL ABUSE TOWARD REFEREES, PLAYERS, AND GAMES OFFICIALS ON AND OFF THE PLAYING FIELD. Anyone found to be in violation of the zero-tolerance policy will be removed from the complex and not allowed to re-enter.

STANDINGS

Scores and standings are kept for all age groups. All standings can be found on the Elite League website. Awards are not issued in academy play as rosters are not locked during league play.

POINTS

Each team shall be awarded three (3) points for a win, one (1) point for a tie, and zero (0) points for a loss. A forfeit shall be considered a 3-0 loss for the forfeiting team and a 3-0 win for the non-forfeiting team. The Elite League Director, and only the Elite League Director, may declare an Elite League match a forfeit based on the director’s review of the facts and circumstances, and at the director’s discretion.

STANDINGS

The standings for the Elite League will be based on the Points per Game from league play. The following tiebreaker will be used for resolving ties between Elite League Teams, in the following order:

1. If two teams are tied, total points earned in head-to-head games. If more than Two teams are tied, this tie breaker shall not apply, and the following shall apply (in order):
 - a. Goal Difference;

- b. Goals For;
- c. Goals Against

WEATHER POLICY

When inclement weather is in the area, teams will be notified to postpone games and ALL members are to go to their cars - NOT THE CONCESSION STANDS. Only field staff and referees remain at the concession building. NO other players, spectators, coaches, etc. should be at the concession area and they should remain in their cars in the parking lots until a change is made in the status of the playing conditions. Once the "all clear" is given and it is safe to take the pitch, the games will resume if enough time permits. Any game that has a 30 minute or more delay will NOT play and be rescheduled. Once the game is rescheduled, the game will play as a new game. Any game that has completed a second half kick-off will be considered a game played and will be scored as such.
